The following are mandatory terms and conditions to be included in all AOC contracts:

This Contract is made this \_\_\_\_\_ day of \_\_\_\_\_, 200\_\_\_\_\_, by and between the State of Maryland Administrative Office of the Courts (the "State" or "AOC") and \_\_\_\_\_, a \_\_\_\_\_ corporation (the

“Contractor”), having its principal place of business at \_\_\_\_\_.

In consideration of the mutual covenants and promises herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Department and the Contractor agree as follows:

**1. Definitions.** All capitalized terms that are not defined herein shall have the meanings provided in the Request for Bids, \_\_\_\_\_.

**2. Scope of Contract.**

**2.1** The Contractor shall provide services as described in the Contractor’s proposal in accordance with the terms and conditions of this Contract and the Exhibits attached to this Contract and incorporated as part of this Contract.

Exhibit A: RFB \_\_\_\_\_.  
Exhibit B: The Contractor’s Bid dated \_\_\_\_\_.

**2.2** If there are any inconsistencies between the Contract and any of the Exhibits, the terms of this Contract shall prevail. If there are any inconsistencies between any of the Exhibits, the terms of Exhibit A shall prevail.

**2.3** The Procurement Officer may, at any time, by written order, make changes in the work within the general scope of the Contract. No other order, statement or conduct of the Procurement Officer or any other person shall be treated as a change or entitle the Contractor to an equitable adjustment under section 2.4.

**2.4** Except as otherwise provided in this Contract, if any change causes an increase or decrease in the Contractor’s cost of, or the time required for, the performance of any part of the work, whether or not changed by the order, an equitable adjustment in the Contract price shall be made and the Contract modified in writing accordingly. The Contractor must assert in writing its right to an adjustment under this section within thirty (30) days of receipt of a written change order and shall include a written statement setting forth the nature and cost of such claim. No claim by the Contractor shall be allowed if asserted after final payment under this Contract.

**2.5** Failure to agree to an adjustment under this section shall be a dispute under the Disputes clause. Nothing in this section shall excuse the Contractor from proceeding with the Contract as changed.

**3. Time For Performance.** The Contractor shall begin work in accordance with the workplan within thirty days of the execution of the contract.

**4. Consideration and Payment**

**4.1** The Contractor shall be compensated for \_\_\_\_\_. The total price for the \_\_\_\_\_ to be provided by Contractor under the contract shall be \_\_\_\_\_. At its sole option, the State may elect request additional services for an additional two years in an amount not to exceed \_\_\_\_\_.

**4.2** Payments to the Contractor pursuant to this Contract shall be made no later than thirty (30) days after the acceptance of the support services and receipt of a proper invoice from the Contractor. The \_\_\_\_\_ shall be accepted in accordance with Section \_\_\_\_\_ of the RFP. Each invoice for services rendered must reflect the Contractor’s federal tax identification number.

**4.3** In addition to any other available remedies, if in the opinion of the Procurement Officer, the Contractor fails to perform in a satisfactory and timely manner, the Procurement Officer may refuse or limit approval of any invoice for payment, and may cause payments to the Contractor to be reduced or withheld until such time as the Contractor meets performance standards as established by the Procurement Officer in accordance with this Contract. The final Contract payment will not be made until after certification is received from the Comptroller of the State that all taxes have been paid.

**5. Warranties.** The Contractor hereby represents and warrants that:

- (a) It is qualified to do business in the State of Maryland and that it will take such action as, from time to time, may be necessary to remain so qualified;
- (b) It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- (c) It shall comply with all federal, State and local laws applicable to its activities and obligations under this Contract;
- (d) It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract;

**6. Patents, Copyrights.**

**6.1** If the Contractor furnishes any design, device, material, process, or other item, which is covered by a patent or copyright or which is proprietary to or a trade secret of another, the Contractor shall obtain the necessary permission or license to use such item or items.

**6.2** The Contractor will defend or settle, at its own expense, any claim or suit against the State alleging that any such item furnished by the Contractor infringes any patent, trademark, copyright, or trade secret. The Contractor also will pay all damages and costs that by final judgment might be assessed against the State due to such infringement and all attorney fees and litigation expenses reasonably incurred by the State to defend against such a claim or suit. The obligations of this paragraph are in addition to those stated in section 7.3 below.

**6.3** If any products furnished by the Contractor become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement, the Contractor will, at its option and expense: a) procure for the State the right to continue using the applicable item, b) replace the product with a non-infringing product substantially complying with the item's specifications, or c) modify the item so that it becomes non-infringing and performs in a substantially similar manner to the original item.

**6.4** If the Contractor obtains or uses for purposes of this Contract any design, device, material, process, supplies, equipment, text, instructional material, services or other work, the Contractor shall indemnify the State, its Officers, agents, and employees with respect to any claim, action, cost, or judgment for patent, trademark, or copyright infringement, arising out of the possession or use of any design, device, material, process, supplies, equipment, text, instructional material, services or other work covered by any Contract awarded as a result of this RFB.

**6.2** The Contractor will defend or settle, at its own expense, any claim or suit against the State alleging that

any such item furnished by the Contractor infringes any patent, trademark, copyright, or trade secret. The Contractor also will pay all damages and costs that by final judgment might be assessed against the State due to such infringement and all attorney fees and litigation expenses reasonably incurred by the State to defend against such a claim or suit. The obligations of this paragraph are in addition to those stated in section 7.3 below.

**6.3** If any products furnished by the Contractor become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement, the Contractor will, at its option and expense: a) procure for the State the right to continue using the applicable item, b) replace the product with a non-infringing product substantially complying with the item's specifications, or c) modify the item so that it becomes non-infringing and performs in a substantially similar manner to the original item.

**6.4** If the Contractor obtains or uses for purposes of this Contract any design, device, material, process, supplies, equipment, text, instructional material, services or other work, the Contractor shall indemnify the State, its Officers, agents, and employees with respect to any claim, action, cost, or judgment for patent, trademark, or copyright infringement, arising out of the possession or use of any design, device, material, process, supplies, equipment, text, instructional material, services or other work covered by any Contract awarded as a result of this RFB.

**7. Non-hiring of Employees.** No employee of the State of Maryland or any unit hereof whose duties as such employee include matters relating to or affecting the subject matter of this Contract shall, while so employed, become or be an employee of the Contractor.

**8. Disputes.** Any claim regarding the proper interpretation of this agreement shall be submitted, in writing, to the Procurement Officer and shall be resolved pursuant to the requirements set forth in the Procurement Policy for the Judicial Branch, Article VI, "Protests and Claims," published at <http://www.courts.state.md.us/procurement/procurementpolicy1-02.pdf>. Pending resolution of a claim under the provisions of that Article, the Contractor shall proceed diligently with the performance of this Contract in accordance with the Procurement Officer's decision.

**9. Maryland Law.** The place of performance of this Contract shall be the State of Maryland. This Contract shall be construed, interpreted, and enforced according to the laws of the State of Maryland.

**10. Amendments.** Except as provided in section 2, any amendment to this Contract must first be approved in writing by the Procurement Officer.

**11. Non-discrimination in Employment.** The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or physical or mental disability unrelated in nature and extent so as reasonably to preclude the performance of such employment; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

**12. Contingent Fee Prohibition.** The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency working for the Contractor to solicit or secure this agreement, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide salesperson, or commercial selling agency, any fee or other consideration contingent on the making of this agreement.

**13. Non-availability of Funding.** If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal year of this Contract succeeding the first fiscal year, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

**14. Termination for Cause.** If Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11 B.

**15. Termination for Convenience.** The performance of work under this Contract may be terminated by the State in accordance with this clause in whole or, from time to time, in part whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination.

**16. Delays and Extensions of Time.** The Contractor agrees to perform this agreement continuously and diligently. No charges or claims for damages shall be made by the Contractor for any delays or hindrances, regardless of cause, in the performance of services under this Contract. Time extensions may be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a State contract, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or the delay of a subcontractor or supplier arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractor or supplier.

**17. Suspension of Work.** The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

**18. Pre-existing Regulations.** In accordance with the provisions of Section 11-206 of the State Finance and Procurement Article, Annotated Code of Maryland, the regulations set forth in Title 21 of the Code of Maryland Regulations (COMAR 21) in effect on the date of execution of this Contract are applicable to this Contract.

**19. Financial Disclosure.** The Contractor shall comply with the provisions of Section 13-221 of the State Finance and Procurement Article of the Annotated Code of Maryland, which requires that every business that

enters into contracts, leases, or other agreements with the State of Maryland or its agencies during a calendar year under which the business is to receive in the aggregate \$100,000 or more, shall, within thirty (30) days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of State of Maryland certain specified information, to include disclosure of beneficial ownership of the business.

**20. Political Contribution Disclosure.** The Contractor shall comply with the provisions of Article 33, Sections 30-1 through 30-4 of the Annotated Code of Maryland which require that every person that enters into contracts, leases, or other agreements with the State of Maryland, including its agencies, or a political subdivision of the State during a calendar year under which the person receives in the aggregate \$100,000 or more, shall, on or before February 1 of the following year, file with the State Administrative Board of Election Laws certain specified information to include disclosure of political contributions in excess of \$500 to a candidate for elective office in any primary or general election.

**21. Retention of Records.** The Contractor shall retain and maintain all records and documents relating to this Contract for three (3) years after final payment by the State hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or the Procurement Officer's designee, at all reasonable times.

**22. Liability for Loss of Data.** In the event of loss of any data or records necessary for the performance of this Contract, which such loss is due to the error or negligence of the Contractor, the Contractor shall be responsible, irrespective of cost to the Contractor, for recreating all such lost data or records in a manner, format, and time-frame acceptable to the Department.

**23. Cost and Price Certification.** By submitting cost or price information, the Contractor certifies to the best of its knowledge that the information submitted is accurate, complete, and current as of *[insert date of last financial proposal]*. The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of \_\_\_\_\_ *[date]*, was inaccurate, incomplete, or not current.

**24. Subcontracting and Assignment.**

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the State, nor may the Contractor assign this Contract, or any of its rights or obligations hereunder, without the prior written approval of the State. Any such subcontract or assignment shall be subject to any terms and conditions that the Department deems necessary to protect the interest of the State. The Department shall not be responsible for the fulfillment of the Contractor's obligations to subcontractors.

**25. Indemnification.**

**25.1** The Contractor shall indemnify the State against liability for any costs, expenses, loss, suits, actions, or claims of any character arising from or relating to the performance of the Contractor or its subcontractors under this Contract.

**25.2** The State of Maryland has no obligation to provide legal counsel or defense to the Contractor or its subcontractors in the event that a suit, claim or action of any character is brought by any person not party to

this Contract against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.

**25.3** The State has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.

**25.4** The Contractor shall immediately notify the Procurement Officer of any claim or suit made or filed against the Contractor or its subcontractors regarding any matter resulting from or relating to the Contractor's obligations under the Contract, and will cooperate, assist, and consult with the State in the defense or investigation of any claim, suit, or action made or filed against the State as a result of or relating to the Contractor's performance under this Contract.

Such evidence of insurance must be delivered to the AOC Office of Procurement before the actual implementation of the Agreement.

The Insurance Certificate mentioned hereinabove must be received by the AOC Office of Procurement within ten (10) days of the notice of intent to award the Contract. In the event the Insurance Certificate is not received within ten (10) days after the date of the notice of intent to award, or if such certificate is insufficient respecting the limits and scope specified herein, then the AOC Office of Procurement reserves the right to award the Contract to another respondent. **Time is of the essence.**

All insurance policies required by this section, or elsewhere in the Contract, shall be so endorsed as to provide that the insurance carrier will be responsible for giving immediate and positive notice to AOC in the event of cancellation or restriction of the insurance policy by either the insurance carrier or the successful respondent, at least sixty (60) days prior to any such cancellation or restriction. Said insurance policies shall name as an additional insured the Administrative Office of the Courts and the Maryland Judiciary.

The requiring of any and all insurance as set forth in these specifications, or elsewhere, shall be in addition to and not in any way in substitution for all the other protection provided under the Contract.
